

Hello Church Family,

We have all felt the effects of Hurricane Ian. Deacon Dave, in his homily this morning, wanted us all to do what we can to help others affected by this terrible storm. We have posted the website for the Diocese of Venice (which is the Southwest corner of Florida that was in the pathway of destruction from Hurricane Ian):

Click the link above to go directly to the donation site for the Diocese of Venice.

We have also listed the link for our own Diocese of Charleston (which covers all of South Carolina) for local donations:

<https://charlestdiocese.org/parish-donation-form/>

We know that some of us can give of our time, and we have listed a great ecumenical organization looking for volunteers to help in the response to the storm:

Please click on the link above to go to Samaritan's Purse International Relief.

Lastly, we ask that each of us give of our time in prayer for all of those in the Pathway of Hurricane Ian.

Yours in Christ,

Publicity Committee for the Parish Council
