Parish Time and Talent Support

To be a Christian steward is to take responsibility for the gifts that God has given us and use them well. Stewardship, in part, is about our need to return to God with grateful hearts a proportionate share of the time, talent and treasure He has entrusted to each of us. Please consider how you can use your time and talents to support one or more of the ministries / organizations listed below. Visit the Parish website to learn more about these groups.

Please select one or more as your time and talent commitment to St. Joseph Church.

Please use one column for each family member.
